

Mobile Check Stub App

Teamwork Services is pleased to present a new Mobile Check Stub app for viewing check and direct deposit stubs on the go. With an existing registration to our Employee Self-Service website, you can now view check stubs right from your mobile phone! This new app works with Google Android and the Apple iOS (including iPhone, iPad, and iPod devices).

To install the app, login to the Employee Self-Service website, and click on the Inquiries menu. Select Mobile Check Stub. To install the app, either scan the QR code for your device—Google Android or Apple iOS, or open the internet browser on your device and enter the appropriate website address for your device type.

The Google Android address is: https://www.hrpyramid.net/tsi/mobile_install/android/paystub.apk

The Apple iOS address is: <http://itunes.apple.com/us/app/hrpyramid-paystub/id493620341?ls=1&mt=8>

After you install the app, click on the Setup tab and enter <https://www.hrpyramid.net/tsi> to link the device to the Self-Service website.

Then login to the app using your Employee Self-Service user ID and password.

If you have any questions, please contact Teamwork Services at 912-265-8500 or tsi@teamworkservicesinc.com.

TIPS

Apple Users: you may be able to find the app by doing a search in the App Store for HRPYramid.

Google Users: you may need to do a security override before your device will allow you to download the app.
